Subject: ARRB Meeting - October,1997

Dear Ms Sullivan, Many thanks for continuing to let me have sight of ARRB decisions in connection with the release of JFK documents. May I refer to your advisory in relation to the meeting on 14 October? (I guess you know what's coming !!) I note, and welcome, the release of the Army and JCSC consent releases. Do you have the relevant RIF numbers (together with numbers of pages etc) for the 21 Army documents from the papers of Joseph Califano that are being released in full ? In addition, do you happen to know whether the Review Board plans to review and release any more Califano material (particularly in relation to his work in the Autumn of 1963) ? Please forgive me for troubling you at this time but, as you know well, you have been extremely helpful to me in the past. Finally, by now I appear to have used up my \$100 credit at the National Archives. Is it possible to open an account, via credit card, for say \$100 and draw upon that amount ? Perhaps you would know. I hope this note finds you in good health. Please keep up the good work. Sincerely, Paul Byrne
