Subject: Harsh Barger called
At 1130 on Wednesday, 12 Nov 97, Mr. Harsh Barger telephonically contacted me regarding several items:1.He informed me that he is doing quite well in school, both academically and socially.2. He stated that he would be in town around Christmas and would like to see everyone. He asked that we meet for a happy hour or something of that nature.3. He has a new girlfriend and would like to introduce us to her.4. He stated that he has traded in his negative, immature attitude for a more mature, positive outlook on life. I informed him that his attitude would only be positive when compared to the attitude adopted by all of the immature, drunken spoiled college kids that are currently surrounding him out at Boston U.
