Subject: Re: Assassination Records Review Board news release

Hey - my hearty appreciation to the Review board for those Pentagon/Cubandocuments. That stuff is dynamite, and so indicative of the craziness weneed to find a way to put an end to. Thanks to all of you for your braveand important work. :)Lisa Pease"It is as if the final price for winning the Cold War is our confinementto a permanent childhood where reassuring fantasies and endlessdiversions protect us from the hard truth of our own recent history."--Robert Parry, THE CONSORTIUM, 2/17/97Check out my Real History Archives @ www.webcom.com/lpeaseVisit the site of Probe Magazine at www.webcom.com/ctka
