Dear Eileen Sullivan, This is my first attempt at a mass mailing to those of you who have sent e-mail to the Shroud of Turin Website in the past two years. I plan to use this method from time to time to notify you of special Shroud related news that might be of interest to you. This first message is to thank you for your participation and encouragement since the website went online on January 21, 1996. The site would not have grown as quickly without your support. And much more is planned in the future, including the addition of a Website Search Engine that will allow you to search the entire site by entering key words of your choice. That should make finding information on the website much simpler and time efficient. Once again, my thanks for your continued participation. Warm regards, Barrie Schwartz Shroud of Turin Website If you wish to be removed from our mailing list, just send mail to [removeme@shroud.com](mailto:removeme@shroud.com) with Unsubscribe in the subject line. Your name will be removed from the list immediately. This message was sent with the DEMO version of EPS - Email Postal Software(TM) by Brooklyn North Software Works <http://www.brooknorth.com>
