Subject: Good Day

Good day, Eileen. It sure was good to see and hear Tom at the JFK/Lancer Convention in Dallas, TX last week. And it was a pleasure to speak with you on the phone this morning. Please let me know if there's a "public" manner in which to mail or call Robert Tanenbaum. As I wrote you last week, I met Robert in the hallway > He graciously offered to autograph his CORRUPTION OF BLOOD book for me, but I embarrassingly did not have a hardback copy with me. Oh - and could you please forward to me a copy of the Fritz Notes? You know, the ones he testified that he did NOT make? <grin> MANY thanks, Eileen, for your continued support. - Clint Bradford 5085 Trail Canyon Drive Mira Loma CA 91752-1685
