Subject: greetings

I am looking for a place ..or places on the WEB..or in written form:that has a list of all of the participants ..witnesses...hangers - onetc....all of who were involved in any way..with the assasination ?i realize that is a tough one...but any help is appreciated...there is one thing that i dont understand:(only one :))how could LHO have done the deed...run across the 6th floor..hidethe weapon....scream down the stairs...get a coke and be seen nyTruly.....and and.... he was not out of breath..he was calm and serene....had i done all of the above i would be begging for the oxygenmachine...cheers Earl--B
