Subject: Re: from Tom Samoluk....

Dear Ms Sullivan\I was happy to have your note which you relayed from Mr. Samoluk. I am happythat Mr. Lesar has been cooperating with the AARB. I have visited the ARK inWashington DC and feel it is a gold mine in records etc which are extremelypoorly housed in a firetrap. If I lived closer I would volunteer to try tomake it more shall we say researcher friendly?I hope to be able to keep track of the AARB findings as I learn the use of mycpu which I believe is an important tool toward learning the truth.I hope Mr. Samoluk is able to communicate with me - at:emurphy333@AOL.com
