**Subject:** Nov. mtg.  
After we discussed (through e-mail anyway) that I could use a little more info about the Nov. mtg documents, I think now I just need an elaboration on one front. In your e-mail to me you wrote, "The HSCA documents included notes of CIA files and cables, especially regarding biographical information." Can you tell me a little more about these? Which files and cables? Biographical information on anyone I can mention? thank you very much!
