Subject: JFK Film
I was curious about the names Guthrie-Bernard, of any involvement in the assassination. Also, the JFK a thousand days, woper productions. The reason a family member died a year ago, had the film somewhat hidden under that cover, I might add, was high up in government, white house, ran for office, Etc. also in security. Also, was there also a Carousel Club in 1947 in Florida. Frank E. Theisen was state beverage dept. Have several pictures of Ruby with others there. The Carousel, Club Carousel. Sorry to have taken your time, Best Regards, Suzanne E mail at RCrane9621@aol.com
