**Subject:** December 1997 Meeting

Eileen:For your advisory...The Review Board's December meeting resulted in the release of 3429 FBI documents. 2607 of the documents are consent releases. The remaining 822 documents are postponed in part. Although the Review Board voted on a few documents from the "core and related" files, the majority of the documents originated in the HSCA subject files. Most of the HSCA subjects contain records that shed at least some light on issues that the HSCA explored as potentially relevant to the assassination of President Kennedy. The Review Board voted on documents from HSCA subjects such as: Gus Alex, Sam Giancana, Anthony Provenzano, John Orion Pittman, Sam Mannarino, Gabriel Mannarino, James Parker Dudley, Lake Ponchartrain, Robert Edward Webster, Russell Buffalino, Maurice Lerner, and George McGann.
