Subject: Re: Board transcripts
Dear Ms. Sullivan,>Can you please provide your daytime phone number (as I will most likely>send the transcripts by FedEx). <<Daytime phone number: 412/281-2620>Is there a street address along with the address you have provided me?<2000 Grant Building is the 20th floor of the Grant Building; we have the whole floor, so the address I gave is sufficient for FedEx, as they bring things to us all the time. Again, thanks for your efforts to get these to me! James Sawa
