Subject: Assassination Information

Dear Mrs. Sullivan, I'm a sixteen year old student attending Centereach High School inCentereach New York. In my U.S. History and Government class we aredoing debates. My partner and I decided to do it on the assassinationof John F. Kennedy. It is my job to argue the fact that Lee HarveyOswald was the only assassin. And I was hoping, since you are the Pressand Public Affairs Officer of the AARB, that you could possible send mesome, if any, information you have on this. Any information can be sentto me via E-mail, my address is Doug681@juno.com. Your time and effortwill be greatly appreciated. Sincerely Douglas T.Dreyer--Never go faster than your angels can fly.
