**Subject:** Fox News/Greg Gordon

Dear Jack:Thank you for the suggestion to refer Fox News to the National Archives. I hadn't thought of that, and Fox was unaware of the recent statements made by the Archives regarding the auction -- so they were thankful, too.I got a call from Greg Gordon. He asked if there were any "comprehensive" articles written about the Board. I mentioned the 1995 article that appeared in the Chronicle of Higher Education, and he was interested so I faxed it to him. He said he might want to talk to Henry and Kermit, but he is not sure yet. I told him to call me if he decides to talk to them.Eileen
