Subject: meeting with Nan Waffen

Monday, 11 a.m. Background: Nan Waffen and David Frank, of Indigo Films, would like to put together a program about the assassination, with a particular focus on the efforts of the Review Board. The program will be made for the A&E History Undercover series. They both have received material about the Board (a few months ago), and therefore should be familiar with the mandate and activities of the Board. I stressed to Nan on the phone today that it would be helpful to have a proposal in writing, as we want to be fully informed before proceeding. She said she will see what she can come up with before the meeting, and fully understands why we need this information. She mentioned both the Clay Shaw papers and the Veazey film as Board acquisitions she plans to highlight. She seems open to other suggestions as well.
