**Subject:** Warning on really bad guy online!

Dear all:This was sent to me by my cousin's best friend, who is a reliable source,wherein he received it from a reliable sources. So, make note!JaneHi there peoples. I'm gonna let you in on a hacker that completely erased mycomputer tonight. If you see this name or if he IMs you block himimmediately. His screen name isRatbastrdl was talking to him in a room tonight and suddenly I get "gotta go and watchout for pigs like me" then he was gone. My comp. was messin up so I rebooted.When it came back up Windows was completely empty. Nothing there all GONE. I had to reinstall AOL and now I have to start over on all the million programsI had. SO please don't let this fool get you like he did me.And do me one more favor. Send this to everyone you know and have them sendit on etc. I don't want this to happen to anyone else. Thank you very much.
