Subject: Information Request

Dear Ms. Sullivan:It is my understanding that Vincent M. Palamara donated some materials tothe Board last summer. He has stated that these materials related to theSecret Service and consisted of both audio tapes of interviews and over 50pages of personal correspondence.Would you please itemize for me exactly what was donated to the Board byMr. Palamara and how I could procure these items? I already have some ofhis interview tapes and would like to complete my set, if additional oneswere received by the Board. Also, I would definitely like copies of all thecorrespondence letters donated by Mr. Palamara.Thank you for your cooperation in this matter.Best wishes,Kathlee Fitzgerald224 Elm StreetEdgewood, PA
