Subject: Re: Re: JFK crime scene photo is being auctioned

Eileen, Try going to <http://cgi.ebay.com/aw-cgi/eBayISAPI.dll?ViewItem&item=10991872> Hopefully, you can see the web site and the picture. I am getting annoyed seeing material I consider assassination related being auctioned off. I wish the Board could stop it, and stop future auctions of President Kennedy assassination related material, especially when it comes to documents and photographs. Joseph Backes
