 7bitHello Eillen! Thought I would contact you via e-mail for achange...since I was on line for some other
 business this afternoon!There are a couple of questions we have that I wanted to run by you onvarious
 matters as we get closer to starting the production phase of theshow. I also have a couple of information
 questions that I hope youmight be able to answer -- or at least point me in the right directionfor the
 answers!*Is there any chance we would get an opportunity to shoot anything --interviews or b roll -- during
 the next meeting on May 12th and 13th?*Any response to the idea of me coming to this meeting for a few
 minutesto introduce myself and our project and to answer any questions membersof the Board might
 have?*Could we come to the AARB offices and shoot just b roll --investigators working, file boxes, people on
 the phone, etc. -- beforeJune 4th? Perhaps we could even interview Jeremy at this time -- if hisschedule
 allows.*Any luck contacting Tom Samoluk on our behalf?*I would still like to schedule another meeting with
