Kathy would be very happy to talk with you about the public relations field. I will make sure the two of you connect. JRT \_\_\_\_\_ Reply Separator \_\_\_\_\_ Subject: personal request

Dear Jack: As I embark on my job search, I was wondering if I could seek some guidance from your wife about the PR field (private sector). I am not familiar with the current climate "out there" and I would really like to hear her thoughts on it. If she is able to and has some time in the near future, I would truly appreciate it. Thanks so much. See you soon. Eileen
