Subject: meeting with Nan Waffen re: documentary

I called Nan Waffen and she is happy to meet with Jack for breakfast at the Hyatt before the Board meeting on Wednesday May 13. The meeting is scheduled for 8:00am. I got a call from her production partner David Frank. I relayed this information to him. He mentioned that he may enlist a producer named Todd Easton from ABC. If involved, Mr. Easton will be writing the program. Mr. Frank thought that we might want him to join Jack and Nan. Mr. Frank also mentioned the following, FYI: They are working under a tight deadline. Since there will be no interviews or b-roll filming at the May meeting, if we do cooperate they will need to do that at the next meeting, which is June 4. And, depending how things develop, of course, he said they are also willing to travel to conduct interviews they do not do here. He mentioned interviewing staff members. I told him that (with the exception of the executive director) as a policy we do not enlist staff members for participation in interviews. Jack: please let me know if the 8:00am meeting time works for you, and if you would like to meet with Mr. Easton as well if he signs on. Also, I can assemble any additional information you may need before the meeting. Eileen
