Subject: Re: Request For Documents

Deb and List...Here is something I would like the ARRB to seek:THE COMPLETE DOSSIERS FROM THE FBI, SECRET SERVICE, AND CIA (AND ALLOTHER AGENCIES) ON THE FOLLOWING (AND OTHER) JFK RESEARCHERS:1. Mark Lane2. Mary Ferrell3. Sylvia Meagher4. Josiah Thompson5. Robert Groden6. Jim Garrison7. Richard E. Sprague8. Penn Jones, Jr.9. J. Gary Shaw10. Larry Ray Harris11. Jack White12. David Lifton13. Mae Brussell14. John Judge15. John McAdams16. Dave Perry17. Gus Russo18. Gary Mack19. Jim Marrs20. Anthony Summers21. Nigel Turner22. Priscilla Johnson McMillan23. Gerald Posner24. John Newman25. Jim Moore26. L. Fletcher Prouty27. Bernard Fensterwald28. Harrison Livingstone29. Seth Kantor30. Norman Mailer31. Noel Twyman32. John Armstrong33. Walt Brown34. Jim DiEugenio35. Lisa Pease36. Tom Wilson37. Joe West38. Larry Howard39. Jean Hill40. Beverly Oliver41. Madeleine Brown42. Henry Hurt43. Martin Shackelford44. Jerry Rose45. Debra Conway46. etc. etc. etc. (I can make a more complete list; others are invited to add to this list.)It would be very interesting and revealing to learn to what extent the government was spying on JFK researchers.AND ALSO:1. Robert Oswald2. John Pic3. Marguerite Oswald4. Dorothea Murret5. George DeMohrenschildt6. James Files7. Roscoe White8. Chauncey Holt9. Charles Harrelson10. Charles Rogers11. Donald O. Norton12. etc. etc. etc.I can add lots more, but you get the idea. Secret dossiers on the first four I believe would be very revealing. And whatever there might be on some of these could prove very startling. For instance, ANY file on Norton indicating he was known to some agency would cinch the LHO case. Jack White>>
