**Subject:** Public Comment at Open Board Meetings  
John Judge left a message asking whether the public will be able to comment at the Board meetings. We should respond that, at this time, the Board is very interested in receiving suggestions from the public in written format. Copies of the written submissions will be distributed to all Board members. The purpose of the meetings is principally to let the Board members discuss among themselves possible recommendations. We will be sure to advise if there is a change.
