Thanks, Eileen. Name's Charles, please. I think I have something important to relate to you regarding JFK - nothing third-hand. This was a personal experience. I can either send you a synopsis via email or we can talk on the phone. I'll be sixty this year and if what I know can make a positive contribution to the world of knowledge on the subject, I sure don't want to take it to my grave. I can place David Ferrie and Carlos Marcello, together in Mexico City, some three weeks prior to the incident in Dallas - accompanied by a couple of sinister French-speaking dudes. I know, because I was there with them. There's quite a bit more that could be relevant. Let me know. Regards, Charles Mazal palabra@earthlink.net ph: (210) 497-0995 fax: (210) 497-2090
