**Subject:** Eileen, The FedEx woman arrived this am with the document in hand . . . and it's all it was cracked up to be by Anna Nelson. I will feature it in the article. If I might ask another favor . . . could we set up an appointment for me to come in and see the Gerald Ford Diary, per the conversation we had last time? I could do so any work day between July 1st and July 10th. Thanks again, Max
