Subject: Tom Samoluk of the ARRB---one of the good guys
 Tom Samoluk of the ARRB---one of the good guys1) writing to one of the good guys:KIR # 18U-10093-10098 is
 interesting: it is Tom Samoluk's 4/1/77 letter to HSCA Chairman Louis Stokes! Samoluk, then a 19-year-old
 collegestudent, wrote, among other things:"there are millions of concerned Americans who want to know who
 really is responsible for the deaths of President John Fitzgerald Kenedy and Reverend Martin Luther King";"the
 American public has not been told the truth";"this investigation [the HSCA's] is our last chance to lift the
 dark cloud that hangs over our country, it must be a whole-hearted effort[ironic, in light of the ARRB!];"the
 knowledge that the truth has not been told disturbs me greatly";Louis Stokes' letter in response to Samoluk,
 dated 4/13/77, is revealing---for example:"I can only say I am in full agreement with the thoughts you
 express";"I, along with you, hope that this major effort by the Committee and with a professional staff, the
 "mysteries" can be solved to the satisfaction of all reasonable Americans";2) Samoluk appeared at COPA 1995
 and admitted attending a JFK assassination conference in the mid-1970's [the famous Boston/ AIB conference
 with Groden?]. He gave a nice presentation on the status of the ARRB, inc. a recent coup: the Powers
 film.SAMOLUK SENT ME A LETTER, STATING THAT, ALTHOUGH HE MISSED MY COPA 1995 PRESENTATION, HE
 HEARD FROM OTHER STAFF MEMBERS HOW WELL IT WAS RECEIVED. THIS WOULD LEAD TO MORE
 COMMUNICATIONS...3) Samoluk appeared on CBS News on 5/28/96 re: the Cooper/ Sturges film---he was
 responsible for delivering it to the Archives.LESS THAN A MONTH LATER, SAMOLUK CALLED ME, INQUIRING
 ABOUT OBTAINING ALL OF MY AUDIO TAPED SECRET SERVICE INTERVIEWS AND CORRESPONDENCE
 FOR INCLUSION IN THE NATIONAL ARCHIVES. MUCH CORRESPONDENCE AND CONVERSATION COMMENCED
 THROUGHOUT THE SUMMER OF 1996, AND, BY SEPTEMBER, EVERYTHING WAS DONATED AND IN THE
 NATIONAL ARCHIVES VIA ARCHIVIST JOHN CARLIN, THE ARRB/ SAMOLUK, AND A DEED OF GIFT.4) David
 Marwell of the ARRB gave a talk at COPA 1996 and mentioned that Tom Samoluk had left the board to get
 married and attend to a new job.THE POWERS FILM IS THE BIG NEWS OF 11/22/96: CNN, OPRAH, ETC., INC.
 AN INTERVIEW WITH POWERS HIMSELF.**5) Samoluk returned to the ARRB and gave a talk at Lancer 1997.
 Not long afterward, he left the board once again.***Presidential aide Kenneth O'Donnell (rode in the Secret
 Service follow-up car behind JFK's car) - "...if the driver had stepped on the gas before instead of after the fatal
 third shot was fired, would President Kennedy be alive today?"(as quoted in Marrs, "Crossfire", page 248; Dave
 Powers expressed the very same thoughts on CBS during the 25th Anniversary of the assassination. If that
 weren't enough, ARRB Director Tom Samoluk told me in 1996 that Powers agrees with my take on the Secret
 Service, based off a lengthy interview he had with the gentleman during the process of obtaining his film from
