Subject: Bradford Apology

Now don't you all go start changing your email addresses...I am notgoing to abuse you again with such silliness. I just wanted to brieflyexplain what's happening here.Lisa Pease took exception to my stating in a public newsgroup in Junethat I saw errors in Dr. Mantik's Zapruder film tampering article inAssassination Science. She asked me to explain myself. Which I then did.A few days later, Dr. Mantik replies to me (and cc to Lisa, Jim Fetzer,and Vince Palamara). I reply to Dr. Mantik. All quite civil. Dr. Mantikactually agreed with the three of four errors that were pointed out. Wehad a healthy exchange. (I later obtained permission from Dr. Mantik topost it on my Web site.)Then out of left field comes Jim Fetzer - defending Dr. Mantik. Ithought that to be weird - and told him so. I thought Dr. Mantik wasable to speak for himself just fine. And I replied to Jim.I then asked Dr. Mantik, Lisa, and Jim for permission to post theiremails to me on my Web site. Although a recipient of email in under nolegal mandate to withhold ANY such communicaton from anyone (unless forprofit, of course), I went ahead and asked them. (Unethical?) Dr. Mantiksaid, "Go ahead!" Lisa said she was swamped, and to go ahead. The onlyone complaining now is Jim Fetzer - who actually had no real businessjumping into the middle of a dialogue between Dr. Mantik and myself.And Fetzer's own letter to me (one of the ones he sent you all thisafternoon) seemed to give me the go-ahead (it surely didn't state, "No - wait until later").So...I apologize that Jim feels compelled to stuff your email boxes fullof this this afternoon. I am sorry he feels threatened in some manner byme contacting authors involved in his book. Maybe if the work was editedbetter - and fact-checked more professionally - he could feel a littlemore secure in his accomplishment...rather than, for example, stubbornlyrefuse to take Dr. Mantik up on the suggestion to create anAssassination Science ERRATA Page for errors, omission, and mistakes. - Clint BradfordP.S. - Jim - Dr. Mantik asked that we keep his latest email addressprivate...would you please abide by his wishes - like I did - and deletehis email address before you re-post messages again. I am sure he'dappreciate it. -I- certainly respected his wishes. But that's MY ethicsat work, I guess.
