**Subject:** July 20 Board Meeting  
The board considered 708 CIA documents and 5 HSCA documents at the July 8 meeting. The CIA records include documents from the files on American defectors, Mexico City Station Activities, Latin American Intelligence Organizations, JMWAVE Cables and HSCA Correspondence, as well as files on AMMUG, AMBUD, LIFEAT, and the travel plans of Manuel Francisco Arttime Bueso. The records also include documents from the files of exile groups such as the Cuban Revolutionary Council, MRR, and Unidad Revolutionaria. Also considered this meeting were documents from the 201 files of June Cobb, William Hamilton Martin, and Rolando Cubela Secades, as well as files on Luis Clemente Posada and Pedro Ruiz. Additionally, the Board also voted on two CIA reports concerning the bona fides of Yuri Nosenko (the Bagley and Solie reports).The five HSCA documents include four documents concerning E. Howard Hunt and one document concerning George DeMohrenschildt. Any questions, let me know.
