Subject: Kinko's

I called Kinko's , told them we had stuff to be picked up for tomorrow 10am, that we would have an ongoing order until August 15th, but that we needed stuff for July 31st, Friday, in the morning. So they will be here tomorrow at 10 am, let me know if I need to alter the time / date that we need the initial "stack" by to Thursday evening instead of Friday morning. Thanks, CathyAnd , if for some unknown reason I am not here tomorrow at 10am, the kinko's credit card is in my top right drawer inside the kinko's book. Thanks again,
