Dear Ms. Sullivan:Four years ago, I requested a copy of the FBI Files concerning DorothyKilgallen, the columnist who has been linked with the investigation ofthe JFK Assassination.This week, the FBI sent me a redacted file of approximately 176 pages,but many of the portions dealing with the Kennedy Assassination wereredacted for unspecified reasons.Shouldn't this be a file which was opened to the public as a result ofthe Board's activities? Apparently, it was not, since so much of it isstill redacted.Please ask the Board to look into this matter.Mike Ravnitzkymikerav@ix.netcom.com
