Dear Ms. Sullivan, Would you kindly let me know if the following pieces of evidence are missing? (1) CE 399 (2) Three bone fragments (from Kennedy's head) brought to the autopsy thenight of 11/22/63 (3) The "Harper fragment" found the next day, and turned over to George Burkley a few days later. (4) Another small fragment turned over to Burkley with the Harper fragment. I assume the two bullet fragments found in the front seat area of the limousine are not lost. Thank you for any information you can give me. Sincerely, Milicent Cranor
