I am writing about the recent release (July) of Kennedyassassination material by the board. In a press report on the release itwas noted that an ARRB staff report on the autopsy of President Kennedywas part of that material. I would like to know if that staff report is available as aseperate document and how it can be obtained. Thank you. My address for a return letter is: 304 Village Road East Norwood, Mass. 02062Keith Fitzgerald
