Subject: Autopsy Photos
Dear ARRB,I recently read somewhere that on July 31, 1998, you would be releasing the autopsy photos of John F. Kennedy. I was wondering if this is true, and if not when (if ever) they will be realeased. If they have been released then I wish to know a way where I can view the photos for myself.Thank YouJon DeLeoalpha1@dmsco.com - att1.htm
