Subject: Indigo Films Request

Hello Eileen! Welcome Back! Hope you had a relaxing vacation. Just wanted to be one more voice upon your return that is inquiring about the status of the Zapruder film. I am sure I am not the only person asking you this. But -- the August 1st deadline has come and gone -- and we have heard nothing. Can you share any info? I assumed since you were away that no decision would be made until you returned! The Board needs you to handle this historic announcement! Also wanted to talk to you about getting some copies of documents relating to Clay Shaw's trial. We are looking for actual trial transcripts -- or testimonies from witnesses -- and again I am not sure if those materials are in the JFK collection yet at the Archives. Can you advise me on this? I am also curious as to how I might get on your notification list for any upcoming press releases. Could you add me to the list? Do you fax releases -- or mail them? In any case I would love to be in the loop. Thanks! On a completely different subject -- what do you think of Danny Spiegel at EXTRA in New York?! He told me he has spoken to you on a number of occasions. They have called me a few times to pick my brain about the JFK materials that have been released. Remind me to tell you a funny story. Anyway -- he seems like a nice guy. That's all for now. Thanks -- too -- for the voice mail message you left me before you left. The info was very helpful! Take care. Talk to you soon. Best. Nan
