Subject: Chapter 6--Reminder
Please continue sending me future additions and changes separately and I will include them in the latest version. It would help me if you could follow the latest organizational structure of Chapter 6 rather than the old outline.Laura has asked for a reasonably complete draft by August 17. Please have all final efforts to me by Friday, August 14 if at all possible. I will be in either Friday or Saturday morning to collect them and will incorporate them into the Aug. 17 draft over the weekend.Thank you for your efforts.
