**Subject:** Re: Medical info request--follow-up  
Dear Eileen, If it wouldn't be too much trouble, would it be possible to send me some type of index or table of contents pertaining to the medical evidence, as I probably have many of the exhibits already, but I'd like to know the body of the evidence the Board is releasing in the batch of medical docs. Thanks again for your help. My address is: James P. Sawa The Hillman Company 2000 Grant Building Pittsburgh, PA 15219 (412) 281-2620  
**Body:** Thanks, Jamie Sawa
