Subject:	garrison records
Body: recstat:	Matt is going to go through the copies of the Garrison records and compare them to the originals that Jeremy retreived from New Orleans. Once this is complete, the originals will go to the Archives. I spoke with Tom and he said that the original agreement was for the copies to go back to Connick's office. If this all sounds right to you, I will call Camille and ask her if they still want the copies and make the proper arrangements.Let me know if I should proceed with this. Also, Tom suggested that we do some Press when these are transferred to NARA. Eileen has some thoughts on this so you/we should discuss it with her.Thanks. Record
