Subject: Re: FW: Let's all go to Disney World

Dear (but naive) friends:1. There is nobody called Walt Disney Jr. (or if there is he is not the owner of Disney World)2. This e-mail is the usual method for getting e-mail addresses and then be able to send (generally unwanted) publicity, knowing beforehand that the people who have answered to the original message are gullible and naive enough to buy ANYTHING.3. If any of you gets the free trip, can I go with you?cheersjuan
