Subject: Initial Font
Hi there.I just realized that, although I changed the font to Times New Roman in your chapters, I never changed the "initial font" to Times New Roman, so the endnote numbers are in Garamond, or whatever other font was there. Could you each go to the beginning of your documents and change the initial font to Times New Roman? (Not to be obsessed with style at this point, but I just thought it might make Elliott's life easier.)Thank you!Laura
