Subject: phone call from Mr. Jay Harrison

Mr. Harrison called today regarding 150 page document he photocopied and fed exed to the Review Board at Kim Herd's request according to him. He requestesd to speak to Laura and refused voicemail saying he had already left 3 messages over the course of a few days. I told him I would relay any message he had for you. He stated that he knew that his documentation had started an active FBI investigation and that he wanted to know the status of that investigation.He stated he had spoken with Laura and that she had told him she was unsure of whether the FBI could or would reveal such information.H e reapedetly said that he was very frustrated to not have received updates and /or a returned phone call from us. He also stated several times that that the REview Board sought him out and requestesd this document from him; he did not initiate this action on his own.I reiterated that I would relay the message. his number is 512 836 8669.Cathy
