Subject: depositions

Body: Oh no, don't cringe--I said the D word! I just remembered that Bill and Kermit wanted a set of the depositions with the staff memo and the master list of exhibits sent to them. Can you please take care of that? There is a box in the "depo room" that contains one complete set including exhibits and I think we will send that to Jack but I want to confirm with him tomorrow that he wants the exhibits so don't send that one yet. Thanks for your help on this and especially for all of your help on getting the other 6000 of them out!
