Subject: Important JFK assassination material

Dear Madam:Here is some material that might be interesting to inquire about. I lookforward in seeing your report.1) The original Nix Film. This film shows the assassination. Theoriginal was kept by the HSCA. Unfortunately, somebody there lost it.2) Oswald went to Mexico City in 1963 to meet somebody of the RussianEmbassy. CIA took photos of him. No photo has ever been made public.3) About my point #2: the audio tapes of the conversations between Oswaldand some individuals of that embassy.4) I wonder if the Warrn Commission recorded all the testimonies ofwitnessess on audio tapes. Very important stuff since many manywitnesses read the transcript of their testimonies and saw very seriousdeletations. Do you know if they are at the National Archives?5) I consider it as crucial to get all the photos and films pertinent tothe assassination. The FBI and CIA offices would be great place tosearch.I thank you very much for your attention,Denis Morissette_____Get Your Private, Free Email at <http://www.hotmail.com>
