Here is the text from this>> page that can be found at the following URL:>>> http://home.cynet.net/jfk/audio1.htm>>> > Posner Lies To Congress: The Proof>>> (snip .. .)>>> Whether what you say is true depends on one's orientation. Posner says X;> Boswell says Y. You then say Y is correct and Posner is lying. Based on> what?Based on Posner's pattern of deception throughout his book.Boswell has no such history of deception, especially relating to the location of the head wound, the issue that Posner feels it is important to lie to Congress about. Humes has waffled a bit to the HSCA, but basically sticks to his original conclusions as to the low, EOP entrance location.> Based on Boswell saying something different. At least Posner has> corroboration for his claim he called Boswell -- the phone records.Posner has nothing. Boswell had no reason to lie about being out when Posner called. How could he have known that there was a need to lie? There's simply no motive. You have to know that, right?> Apparently you fawningly accept Boswell's claim he wasn't home at the time of> the call; so Posner apparently carried on a lengthy conversation with the> gardener or something. Your "proof" proves nothing except there's a dispute> between Posner and Boswell over what actually occurred between them. (As you> note, both men believe LHO acted alone, so your attacks on Posner are empty> rhetoric.)Empty rhetoric? Sorry, wrong again. Boswell testified under oath recently to the ARRB that he did NOT change his opinion of the EOP location. Didn't you know that? Did you also know that Gerald Posner has stonewalled the ARRB? Wouldn't he just love to slam these "conspiracy kooks" and all his critics by producing the imaginary smoking gun tape of his conversation with Boswell? You better believe he would! He is obviously running scared. The ARRB report will
