**Subject:** Jenn Albee enters the wild world of email...

Hi everyone,Hope you all had a good weekend.Jenn has finally joined us on-line from Seattle. Unfortunately,  
sheneeds to go to a rather pricey Cybernet cafe to use it, so I don'texpect that we will hear from her on a  
regular basis. In any case, youat least now have the ability to harass her whenever you get the urge...She can  
be written to:j\_albee@yahoo.comTake care...ChristinePS. I will also be seeing her later this week in Las Vegas  
if anyone hasa message they would like me to pass along... (G-rated please!)
