Subject: update: presentation to Congress
THE HILL: Jeff Schaffner has reserved 2203 Rayburn for the presentation in the event we know that there will be a larger group of people attending the event. If it is a small group we will have it in Burton's office.NARA: Governor Carlin will be out of town that week. And, in the spirit of NARA and the Review Board telling each other how to handle press, Susan Cooper brought up the point (a good one, I think) that Congress and the White House may feel slighted if we deliver the report to NARA before them. Scenario: we have event at NARA, get press, go to the Hill and the White House the next day and no one shows up and they've already heard about it.....I'll try to catch Jack before he leaves.
