Subject: Re: Archivist's reception room

Eileen, I'm not sure what you are asking here, but I thought that we planned to make a presentation to Congress in a hearing room somewhere on the hill, that we would probably go to the White House or related venue for a presentation to the President (if that were to occur), and that we would use the Archivist's Reception Room for a press conference. Is that what you are asking, or have I misunderstood? --Bill
