Subject: my leave

I will probably not be back this week. As you all know, I have the flu and being here today was not such a great idea! However, I did get alot accomplished so I can now go home and rest! I had already taken Thursday and Friday as Annual leave this week and will be home on sick leave Tuesday and Wednesday. I have a funeral to go to on Tuesday late afternoon so if you need me I won't be around. Otherwise, you can call if you need me but I may be sleeping. In any event, I screen my calls because of all the solicitations that come through during the day so leave a message and I'll call you right back. See you next week.
