| **Subject:** | Jeremy and Laura out sick |
| **Body:** | I came into the office hoping to feel better, but decided I had better return home to bed. There was a message on my phone mail from Laura, reporting that she was not sure whether she would be in today.Because I am no longer able to dial-in for computer messages, please leave messages on all calls in my voice mail. I will call in regularly to check on them. |
