**Subject:** Tippit/Oswald autopsy X-rays

**Body:** A man named Frank Sarna wrote to us in September 1996 requesting the whereabouts of these X-rays. The FBI told him that NARA had them, and NARA subsequently told him it did not have them. I received a follow-up voicemail message on Friday from him, and would like to return the call. Per Tom's suggestion I passed this on to you in Sept.--was this distributed to anyone for follow-up? What should I tell him? thanks.
