Subject: CIA-1

Body: I identified probably 50-60 pages of organizational charts and mission statements for various CIA components from 1957 to 1975. Barry will begin processing these documents today and will send them to the various directorates for release approval. The documents are useful for understanding the structure of the Agency but do not reveal anything which will be new to us. I also read through the box on the Director's Morning Meeting Minutes which has been sent to NARA. There were a few interesting things but no bombshells.
