Subject: November 1996 correspondence from James Galbraith

Galbraith is a professor at the LBJ School of Public Affairs, University of Texas at Austin. He wrote in November and touched mainly on the issue of Vietnam, with particular focus on a tape recorded meeting of the National Security Council. The decision to withdraw from Vietnam was discussed at this October 2, 1963 meeting. I forwarded this letter to you -- I can provide it again if need be. No response has gone out. thanks.
